

First Commercial Property Management

Founded in 2002, we are a Commercial Property Management Company offering a full compliment of management, brokerage, leasing and renovation services for Commercial properties in Southern Oregon. Our superb staff and state of the art support system allow us to focus on maximizing our client's cash flow while increasing the net value of their investments. From marketing, to accounting, to maintenance issues, we develop and execute a management plan for each property.

Our management team has over 34 years experience in the Commercial Management and Commercial Leasing field. Our philosophy combines the usual "high-tech" with the unusual "high-touch", meaning we believe that there is no substitute for regular visual inspections, tenant contact and client/manager communication. Our 24-hour on-call customer service and attention to property condition help insure the highest level of tenant satisfaction and retention.

We have the tools, the experience and the expertise. Call us today! 541-772-8566 Property locations currently leasing in: Medford, Central Point, Jacksonville, Grants Pass
